

MRT / DMS

Professional Awareness Survey

Survey to capture priorities, ideas and volunteers for awareness work

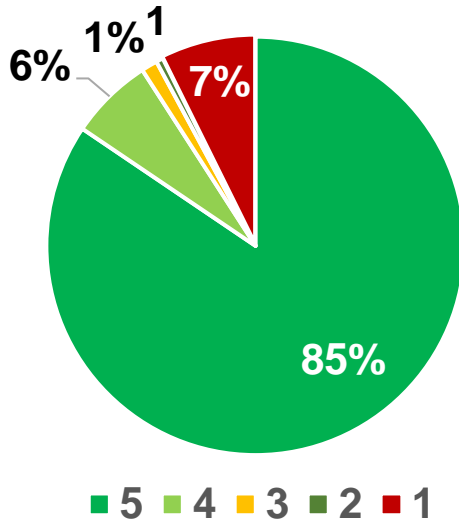

- CAMRT and OAMRS worked together to develop survey
- Sent to all OAMRS/CAMRT members
- Posted on Ontario MRTs United Facebook page
- Reminders sent through electronic communications

Participation by Discipline

How do you feel about the following statement “MRTs/DMS do not get the recognition they deserve”?

Scale: 5=Strongly Agree — 1=Strongly Disagree

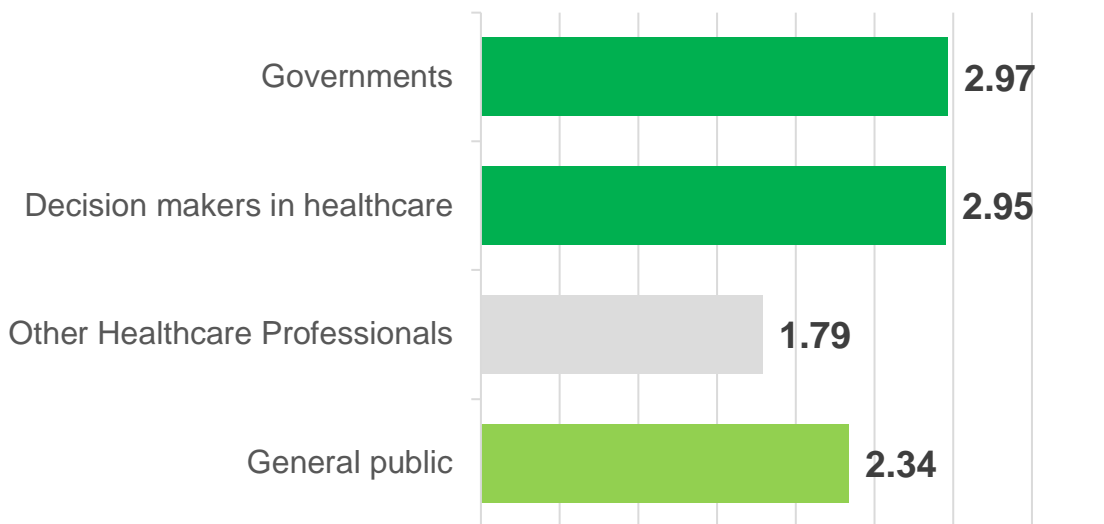

The vast majority across all analyses said they agreed MRTs/DMSs were not getting recognition they deserved

Aggregate score: 4.60

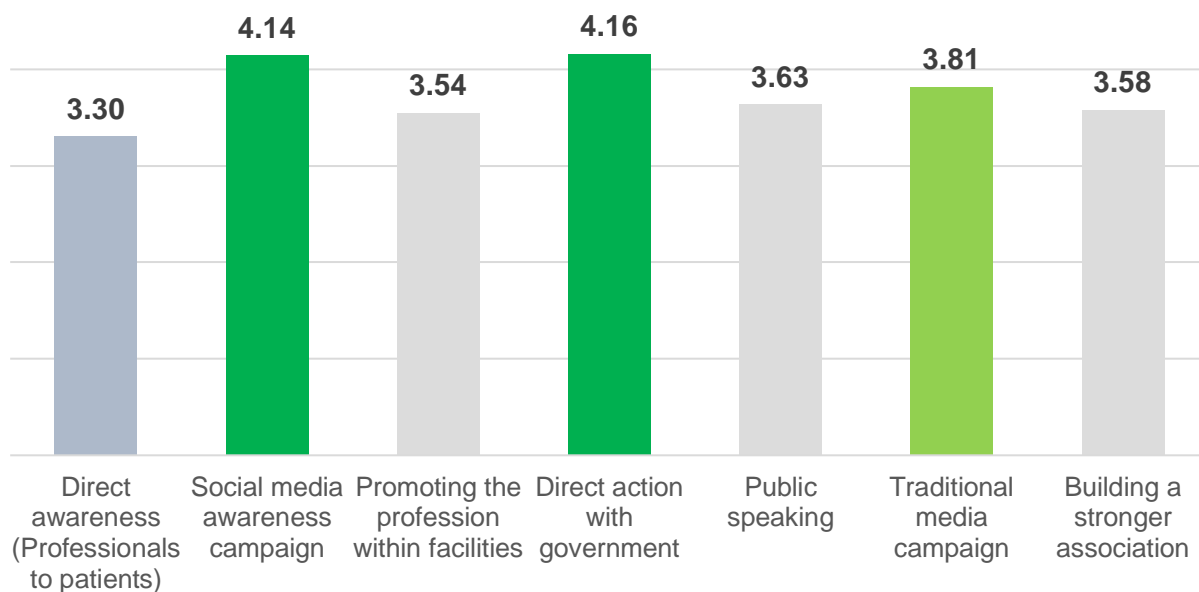

Which group do you think should be the top priority target to raise awareness of the profession right now?

The 4 items were ranked, with a score of 4 points given to the highest priority

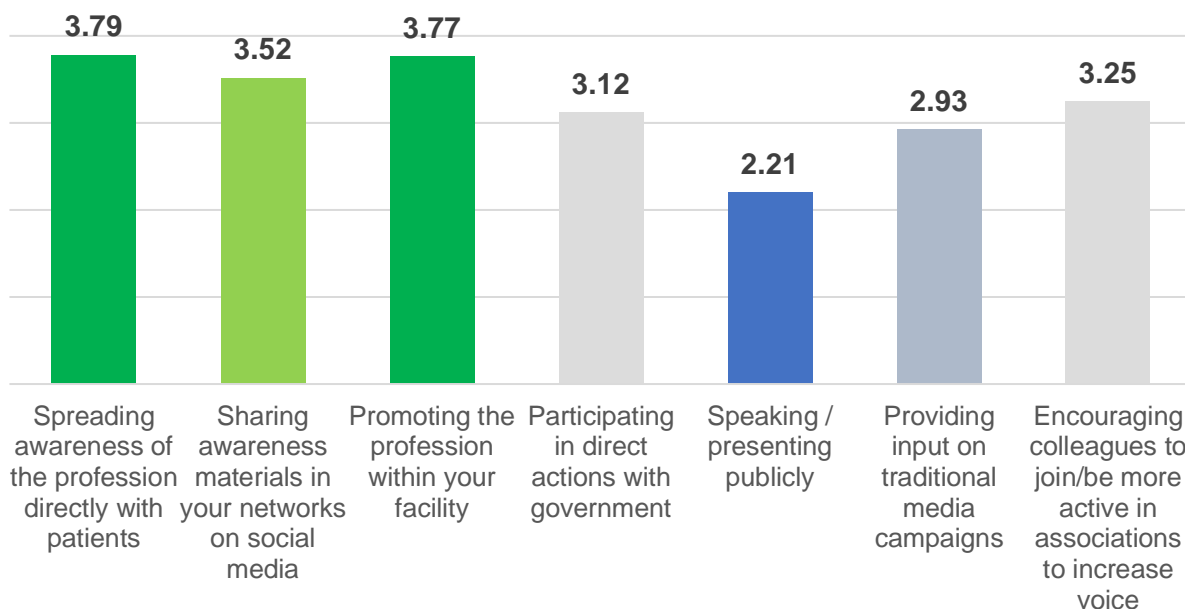

What campaigns/programs do you think would be most effective in increasing recognition for our profession?

Items were individually ranked on a 5-point scale: 5=Very Effective — 1=Not Effective

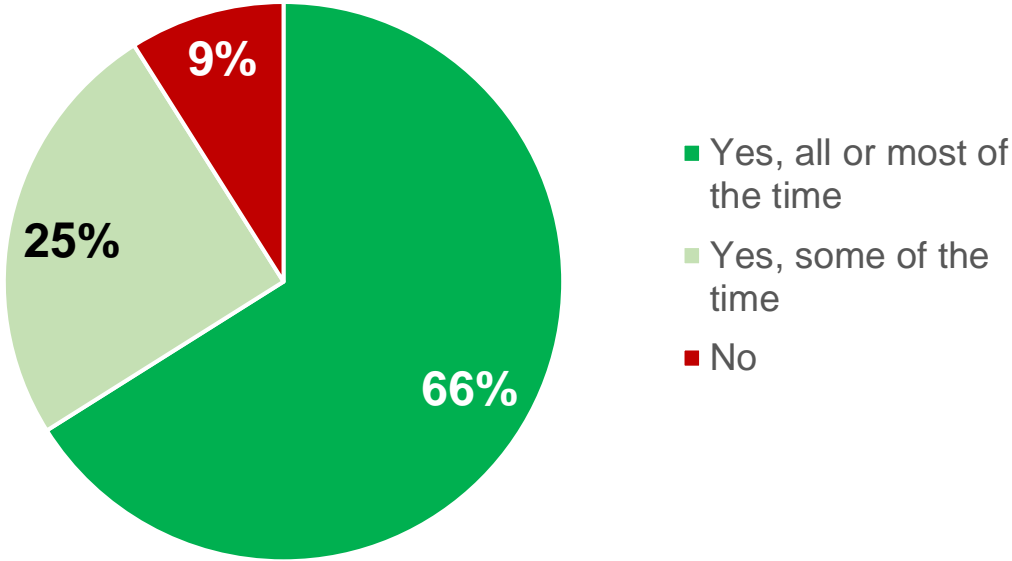

How involved would you be in the following initiatives to raise professional profile?

Items were individually ranked on a 5-point scale: 5=Highly Involved — 1=Not Involved

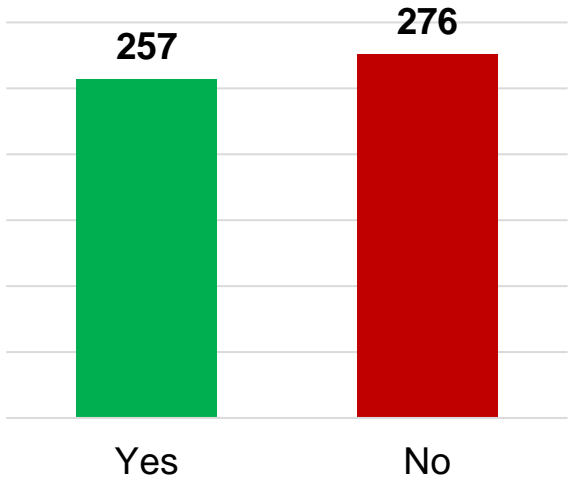

Do you introduce yourself to patients with a NOD, or something like it?

Under the current COVID-19 conditions, are you able to post or distribute materials?
