

MyHealth Centre

Delivering Quality Patient Care through Innovation, Compassion and Integrity.

MyHealth is the largest provider multi-specialty ambulatory health service provider. We own and operate 50 clinics across Ontario and provides physician services to 30 third-party clinics and hospitals in the areas of radiology, cardiology, nuclear medicine, internal medicine, physical medicine, and Obs/gynecology. We provided over 2 million health services in FY2020. MyHealth team comprises of almost 700 professionals including 140 MDs. The mission of the Company is “Delivering Quality Patient Experience through Innovation, Compassion and Integrity.” MyHealth is accredited with commendation from Accreditation Canada.

MyHealth started telehealth services over two years ago. However, this division has seen exceptional growth during COVID-19. We are offering telehealth services in family medicine, internal medicine, cardiology, and gynecology. We are aggressively expanding specialties as well as geographic reach. Telehealth is helping transform us into the largest national healthcare service provider.
