This position is in high demand in our region, as a result we offer competitive recruitment incentives. Qualified applicants may inquire for further details.

The Health Sciences Centre strives to ensure the safety and security of the patients, visitors, employees and assets financial and otherwise. As one tool in the recruitment screening process, all offers of employment to external candidates shall be conditional upon a satisfactory Vulnerable Sector Check (VSC) to ensure the absence of relevant criminal convictions.

The Health Sciences Centre (HSC) is committed to delivering healthcare in a manner that is consistent with Patient and Family Centred Care. Applicants are required to have a demonstrated knowledge, understanding and commitment to this care philosophy.

Candidates will have demonstrated adherence to the Hospital's Code of Conduct. Regular attendance at work is imperative, therefore, all applicants will have to demonstrate a good attendance record to be considered for this position.

We are committed to fostering an inclusive, equitable, and accessible environment supporting diversity in our work environment to provide quality care where all feel valued, respected, and supported. We are dedicated to building a workforce reflective of the communities in which we live and serve and encourage Indigenous people, visible minorities, and persons with disabilities to apply and self-identify. Upon request, accommodations due to a disability are available throughout the selection process. Additionally we are identified as an English/French speaking health sciences centre and encourage bilingual candidates to apply.

If there are no qualified applicants for the above position, the Hospital may, at their discretion, train unqualified individuals.

Interested applicants must submit a resume outlining relative previous experience and training to humanresources@tbh.net.

Internal applicants may apply via the job posting page on the iNtranet. **External** applicants must apply through our website.
