

**Ref# 21PIA007**  
**2 - Casual - Radiation Therapist**  
**Radiation Therapy**

The Radiation Therapist reports directly to the Manager, Radiation Therapy. The Radiation Therapist is accountable for the provision of the highest quality of physical and emotional care for all patients undergoing Radiation Therapy. The Incumbents are required to accurately plan and execute radiation treatments in accordance with the Radiation Oncologists prescription. At all times, the Radiation Therapist must practice their profession within the Scope of Practice for Radiation Therapy, as specified by the College of Medical Radiation Technologists of Ontario. With responsibility for the safety of the patient while under his/her care the Radiation Therapist is responsible for ensuring that all Radiation Therapy equipment is functional, accurate and safe to operate. In conjunction with the Clinical Coordinator, the Radiation Therapist is responsible for ensuring that students are properly supervised and provided with the experiences and instruction required to prepare them to be competent graduates.

**Qualifications:**

- \* Graduate of recognized Radiation Therapy program with membership in the College of Medical Radiation Technologists of Ontario (CMRTO) and the Canadian Association of Medical Radiation Technologists (CAMRT)
- \* Excellent communication, observational skills and proven mathematical and technical ability

**Salary Range:** \$33.552 to 45.772

The Health Sciences Centre strives to ensure the safety and security of the patients, visitors, employees and assets financial and otherwise. As one tool in the recruitment screening process, all offers of employment to external candidates shall be conditional upon a satisfactory Vulnerable Sector Check (VSC) to ensure the absence of relevant criminal convictions.

The Health Sciences Centre (HSC) is committed to delivering healthcare in a manner that is consistent with Patient and Family Centred Care. Applicants are required to have a demonstrated knowledge, understanding and commitment to this care philosophy.

Candidates will have demonstrated adherence to the Hospital's Code of Conduct. Regular attendance at work is imperative, therefore, all applicants will have to demonstrate a good attendance record to be considered for this position.

We are committed to fostering an inclusive, equitable, and accessible environment supporting diversity in our work environment to provide quality care where all feel valued, respected, and supported. We are dedicated to building a workforce reflective of the communities in which we live and serve and encourage Indigenous people, visible minorities, and persons with disabilities to apply and self-identify. Upon request, accommodations due to a disability are available throughout the selection process. Additionally we are identified as an English/French speaking health sciences centre and encourage bilingual candidates to apply.

If there are no qualified applicants for the above position, the Hospital may, at their discretion, train unqualified individuals.

Interested applicants must submit a resume outlining relative previous experience and training.

**Internal** applicants may apply via the job posting page on the iNtranet. **External** applicants must apply through our website.
