

Ultrasound Technologist (Sonographer)

Company Name: Charm Fertility

Location: 14 5th Ave, Orangeville, ON L9W 1G2

Type: Part-Time - Tuesdays and Thursdays

Hours: 7:00am – 3:00pm

Hourly Rate: \$36.00 – 45.00/hour

At Charm Fertility, our goal is to become the leading total woman's healthcare destination. We're patient-focused and enthusiastic about women's health, which is at the heart of everything we do.

Together, we create an accessible, convenient, and consistently high-quality service through a savvy, confident yet clear, and simple team.

Our path ahead is one of miracles and heart. Every day, you will be creating special moments for our patients.

Charm Fertility takes health and safety seriously. We provide all staff with Personal Protective Equipment (PPE) and appropriate training and daily infection prevention screening of clients and workers to help prevent exposures to COVID-19.

Why is this role important?

The Ultrasound Technologist (Sonographer) will be responsible for performing gynecological and obstetrical ultrasounds such as a complete female assessment. Ensuring excellence in care and service, alignment with quality, performance indicators, regulatory requirements, and organizational policies and procedures.

Day-to-day activities:

- Perform gynecological and obstetrical ultrasounds such as complete female assessment including endovaginal scan, follicular monitoring, obstetrical scanning (early pregnancy) as well as assisting the doctors in ultrasound guided procedures such as Sonohysterogram
- Review patient history and other support data to facilitate optimum diagnostic results
- Maintain Infection control policies with regard to cleanliness of equipment and environment of the ultrasound work area, proper set up and cleaning of the ultrasound rooms between examinations

Who you are:

- Registered with CMRTO
- Current registration with ARDMS
- Minimum 3 months of experience in OB/GYN sonography with a strong background specifically fertility ultrasound is an asset
- Excellent patient care skills with a customer service approach
- Ability to work independently as well as a part of a team
- Demonstrate effective time management, decision making skills, and problem-solving abilities
- Positive work attitude: reliable, punctual, and flexible
- Ability to communicate well, both verbally and in written format

Charm Fertility is an equal opportunity employer that is committed to employment equity and diversity in the workplace. We welcome all applications. Whether you identify as a woman, a part of a racialized/visible minority, aboriginal person, person with disabilities, person of any sexual orientation, or gender identity or gender expression. In compliance with the AODA, any person can request accommodations at any point in the hiring process if required.
